Cybersecurity and Information Assurance

EXPERIENCE

01/2023 – Present

Price Accuracy Associate, Weis Markets – Stafford, VA

- Overseeing weekly price changes and ensuring accurate pricing throughout the store to maintain gross profit margins.
- Verifying weekly circular pricing execution and staying informed about ad items and special restrictions, with any additional items being modified/added accordingly.
- Assisting with the creation and positioning of signage for advertised merchandise and maintaining knowledge of product locations.

- Entering new items into the system, deleting old items, and correcting or reporting pricing errors or inconsistencies.
- Consistently delivered exceptional customer service by efficiently resolving inquiries regarding returns and refunds, building rapport with regular customers, and proactively advocating for customer-centric solutions contributing to improved customer retention rates.
- Processed Western Union Transactions (Wire-Transfers & Money Orders) with a high-degree of accuracy and efficiency, adhering to strict compliance and procedures, including Anti-Money Laundering (AML) and Counter-Terrorism Financing (CTF) protocols, preventing illicit financial activity.
- Successfully led and supervised a team of 4-8 employees, providing training, mentorship, and performance feedback which ensured operational efficiency, while adhering to strict Standard Operating Procedures (SOPs) with regular auditing.

10/2021 – 08/2022

Customer Service Lead, Tops Friendly Markets – Hamburg, NY

- Resolved customer calls, returns and refunds ensuring efficient resolution of customer inquiries and prioritizing a positive shopping experience.
- Successfully led and supervised a team of 8-10 customer service representatives, fostering a collaborative and professional work environment, with productivity at the forefront.

CERTIFICATIONS

- CompTIA A+ CE | Verification Code: 2HM5803RBJF1QX9P
Issued: 04/2024
Expires: 04/2027
